The City of Perris has been selected as one of the 50 members of the HealthyCommunity50 Challenge and received a $10,000 community seed award. The challenge is a partnership between the Aetna Foundation, the American Public Health Association and the National Association of Counties. The partnership empowers small to mid-size U.S. cities and counties to create a positive health impact in their community.

The challenge will award prizes to the organizations that are able to show measurable change over the course of several years working with cross-sector partnerships to implement health innovations and data-driven solutions.

The City of Perris accepted the challenge to develop 31 urban community gardens. This project will play a role in the city's efforts to address food deserts, combat obesity and other health related illnesses in an underserved community. It will also expand the vision of its community demonstration garden known as the Perris Green City Farm. This project will align with the Live Well Program to create a sustainable platform to expand health equity in the city.

A YEAR OF SUCCESS!

The City of Perris celebrated several successful events this year that engaged our community and enriched our youth, including Snow Day, Youth Job Shadow Day, Youth Mental Health, and Teen Texting & Driving. Our partnerships have been an integral part in making this happen; and for that, we are grateful!

As we continue through the year, our hope is to remain connected with one another as we strive to make a difference in the community and our youth. We are actively seeking corporate sponsors, business owners, entrepreneurs, and individuals willing to partner with us to support our seniors, youth, and veterans. With your help, we are able to reach our community and youth in a life changing way!
